

AC7 Complex

With the natural spectrum of ingredients from seven selected traditional herbal and plant extracts

PRODUCT DESCRIPTION

With selected plant extracts for a “good” gut feeling

Herb and plant extracts – gentle support from nature

Traditionally, selected herbal and plant extracts are used to support the microbiological balance. The ingredients contained therein, which either serve as attractant or repellent for the plant, represent a significant advantage for health: Thyme, rosemary and oregano extracts support digestion. Barberry extract contributes to the normal functions of the gastrointestinal tract.

- 7 selected plant extracts
- According to the pure substance principle in tested quality
- 100% vegan
