ESSENTIALS

SoluDrops® Astaxanthin

Natural Astaxanthin - with Vitamin E to protect cells from oxidative stress*. 100% vegan & easy to dose

PRODUCT DESCRIPTION

Free radicals are produced daily in the body – through stress, intense sun exposure, exercise, or environmental factors. This is where antioxidants come into play: they help the body restore balance. Vitamin E can help protect cells from oxidative stress.

Astaxanthin is a natural carotenoid from the microalgae *Haematococcus pluvialis*. This algae reacts to stress caused by food or water shortage, strong sunlight, or extreme cold by producing the characteristic red natural pigment. Together with Vitamin E, it forms a thoughtful combination of natural substances.

SoluDrops® Astaxanthin delivers 6 mg of natural Astaxanthin per daily dose – complemented by 6 mg of Vitamin E, 100% vegan, and free from additives. The innovative liquid formula can be easily and individually dosed with the pipette – no capsules, no hassle.

The Astaxanthin Drops are ideal for everyone – in hectic everyday life, during periods of special stress, or as a daily contribution to a conscious nutrient routine.

- 6 mg natural Astaxanthin per daily dose
- With Vitamin E for antioxidant support* in daily life
- Astaxanthin in liquid form: easy to dose with pipette
- 100% vegan & free from additives

POSSIBLE USES

- As a daily contribution to cell protection
- *Vitamin E helps protect cells from oxidative stress.
- For people with increased oxidative stress (e.g. due to environmental pollution, stress, intense physical activity, UV radiation)
- For those who prefer an easy, liquid supplementation without capsules
- Ideal for a conscious daily routine with a focus on antioxidants (Vitamin E) and carotenoids (Astaxanthin)

INGREDIENTS	1 PIPETTE (1 ML)	% NRV *
Astaxanthin	6 mg	-
Vitamin E (mg alpha-TE)	6 mg	50

* % of the reference quantity according to EU Regulation 1169/2011.

INGREDIENTS

MCT oil (from coconut), astaxanthin-rich oleoresin from *Haematococcus pluvialis* algae, mixed tocopherols, sunflower oil.
