

Rhodiola Rosea

Capsules with natural rose root extract to support the body during stress as well as mental activity and vitality

PRODUCT DESCRIPTION

To strengthen the body during stress, for mental activity and vitality

Rhodiola Rosea: Plant-based support during stress situations

Rhodiola rosea (golden root) is a succulent plant that has been treasured in Russia and Scandinavia for centuries due to its special properties. Golden root is particularly useful for those subject to emotionally stressful conditions and their physical and psychological effects. In this case golden root extract can support the mental and physical performance and well-being. A healthy balanced diet, lots of exercise and sufficient sleep are other necessary prerequisites for good physical and mental performance in day-to-day life.
