ESSENTIALS

Thyrocare® Active

Dietary supplement with selected micronutrients for energy metabolism* and normal thyroid function*. With Myo-Inositol, L-Tyrosine, Ashwagandha & Co.

PRODUCT DESCRIPTION

Thyrocare® Active is a dietary supplement with selenium that supports the normal function of your thyroid. The carefully selected combination of Myo-Inositol, L-Tyrosine, Ashwagandha with Vitamin B6, B12, and Zinc brings together high-quality ingredients in a modern formula.

Vitamins B6 and B12 help boost your energy levels; they help reduce tiredness and support your energy metabolism* – perfect for days when you need extra support. A highlight of the formula is Ashwagandha KSM-66®. This plant-based adaptogen contributes to mental and physical well-being during times of increased stress. Additionally, Vitamin D3 and Zinc provide nutrients that support the normal function of your immune system, rounding off the formula effectively.

And the best part: Thyrocare® Active is deliberately iodine-free to avoid iodine excess.

- For your energy: Vitamin B6 and Vitamin B12 for energy metabolism and to fight fatigue and tiredness.
- For your thyroid: Selenium for normal thyroid function.
- Your immune system gets support from Zinc and Vitamin D.
- Scientifically backed formula: With Myo-Inositol, L-Tyrosine, Selenium, Zinc, Ashwagandha, and important vitamins.
- Adaptogen Ashwagandha KSM-66®: Plant extract from the Ashwagandha root.
- Iodine-free: Deliberately without iodine.

POSSIBLE USES

- **Supports thyroid function:** Selenium contributes to the normal function of the thyroid.
- **Supports energy metabolism:** Vitamin B6 and Vitamin B12 contribute to normal energy metabolism.
- **Reduces fatigue:** Vitamin B6 and Vitamin B12 help reduce fatigue and tiredness.
- **Hormone regulation:** Vitamin B6 contributes to the regulation of hormonal activity.
- **Supports the immune system:** Vitamin D and Zinc contribute to the normal function of the immune system.
- **Cell protection:** Zinc and Selenium help protect cells from oxidative stress.
