

Boswellia 400

The traditional Indian extract in tested premium quality - highly concentrated with 70 % boswellic acids

PRODUCT DESCRIPTION

Biogena Weihrauch 400 contains the extract of natural tree resins in the form of the brand raw material Boswellin®. With a very high proportion of 70 % total boswellic acids and additional standardization to beta boswellic acids, Biogena relies on proven premium quality. Frankincense serves the mental function and supports the mucous membranes of the digestive tract as well as the joints.
