BIOGENA

ESSENTIALS

Ultrafine Zeolite

100% pure clinoptilolite zeolite (Klinopur®) to bind and eliminate heavy metals from the body

PRODUCT DESCRIPTION

Your gut is the central barrier between your body and the environment – and it is challenged every day. **BIOGENA Ultrafine Zeolite** helps bind pollutants and heavy metals such as lead, mercury and aluminium, supporting their natural elimination from the body.

The **CE-certified medical device** contains 100% pure **clinoptilolite zeolite (Klinopur®)** – ultrafinely micronized for maximum binding capacity. This effectively and gently supports your body's natural detoxification processes.

The raw material is carefully controlled and sourced free from environmental contamination from our own extraction site in the heart of nature. Strictly controlled from extraction through to packaging, **Klinopur® Zeolite** stands for purity and quality – with volcanic power from nature.

- 100% pure clinoptilolite zeolite (Klinopur®)
- Ultrafine micronized zeolite powder
- Supports detoxification by binding and eliminating heavy metals
- CE-certified medical device
- Mined and manufactured in Austria
- No additives and 100% natural

POSSIBLE USES

- Supports the body's natural detoxification
- Binds heavy metals such as lead, mercury, chromium, cadmium, aluminium and nickel in the gut
- **Klinopur® Zeolite** binds harmful pollutants and prevents these substances from passing through the gut into the body
- Ideal for regular internal cleansing – gentle and natural

INGREDIENTS

100 % clinoptilolite zeolite, ultra finely ground.

RECOMMENDED INTAKE

Method and duration of use: Medical product for oral use: Stir ½ teaspoon (= 1 g) into a glass of water (250 ml) 2-3 times a day and drink immediately with meals. The maximum duration of use is 12 weeks. If you take the product repeatedly, take a break of at least one week.

INTERACTIONS

When taking medication at the same time, make sure to take it 2 hours apart. Unless otherwise prescribed by your doctor, take your medication before taking Biogena Zeolite ultrafine.

BIOGENA

SIDE EFFECTS

Constipation may occur, particularly in the first week after taking the medicine. In very rare cases, flatulence, stomach pain, nausea, dizziness and tiredness may occur at the beginning of the intake.

WARNING SAFETY NOTES

Stop taking if you notice any unexpected side effects and consult your doctor. If constipation occurs, increase your fluid intake, reduce the dosage and consult your doctor if necessary. Use in patients with existing constipation, impaired kidney function, with an existing illness, with drug therapy or with chemotherapy or radiotherapy may only be carried out after consultation with a doctor. Breastfeeding or pregnant women, children and adolescents (under 18 years of age) must consult their doctor before using the medical product. Do not inhale the product. Do not use at the same time as alcoholic, caffeinated and acidic drinks such as grapefruit, orange, lemon and pineapple juice. In case of eye contact, rinse the eyes sufficiently. Ensure adequate hydration in the form of water or other non-alcoholic drinks during use. Not intended for continuous, uninterrupted use. Discontinue use if you notice an unusual effect.

PACK SIZE

250 g powder

DESCRIPTION

Medical device for oral application

STORAGE INSTRUCTIONS

Keep out of the reach of children.

Close the container tightly after use.

Store in a dark, dry place at room temperature. Protect from heat.

Do not use the product after the expiry date.

NOTES

Subject to printing and typesetting errors.

Not an organic product according to VO (EU) 2018/848.
