

Zinc cream

With zinc, vitamins, urea, shea butter, aloe vera and other nourishing components

PRODUCT DESCRIPTION

Every skin type has areas that are particularly under stress every now and then. Wind and weather, dry air in a heated room, or strong sunlight can make areas of the skin rough and cracked.

Zinc cream for use on raw, cracked and tight areas of skin also contains vitamins, urea, shea butter, aloe and other nourishing components in addition to zinc. With this, you can do something good for your skin.
